Application For: Lessons Camp Both Lessons & Camp (Check one)

I understand that I am signing this application and agreement as consideration for my child being accepted for horseback riding lessons offered by Springland Riding Stable. I further understand that this agreement applies to any and all use of the Springland Riding Stable facilities or participation in all its activities or programs, and that the terms of this agreement need not to be brought to my attention each time my child participates in any part of the horseback riding program or makes use of Springland Riding Stable's facilities.

I fully understand that the sport of horseback riding including the handling and grooming of horses and other riding activities is very dangerous, exposing participants to many risks and hazards, some of which are inherent in the very nature of the sport itself, others which result from human error and negligence on the part of the person involved in the maintenance and operation of the facilities and in preparing, organizing and staging the horseback riding lessons and related events and that as a result of these risks and hazards, my child as a participant may suffer serious personal injury, even death, as well as property loss. Some of these risks

are foreseeable but others are not. I understand that neither Springland Riding Stable, nor any of its officers, employees, independent contractors, volunteers or agents assume any responsibility whatsoever for my child's safety during the course of my child's participation in any program or lessons offered by Springland Riding Stable.

I have fully read this application and assumption of risk agreement and am signing it voluntarily. I understand clearly that by signing this agreement, I will be forever prevented from suing or otherwise claiming on behalf of my child against the Springland Riding Stable, its officers, employees, independent contractors, volunteers or agents for any loss or damage connected with any personal injury, death or property loss that my child might sustain on or about the facilities or at any facilities where the horseback riding program or lessons might be conducted, whether this loss or injury is caused solely or partially by the negligence of Springland Riding Stable, its officers, employees, independent contractors, volunteers or agents.

I further agree not to make any claim or take proceedings on my own or on my child's behalf against any other person or corporation which might claim contribution or indemnity under the provisions of The Negligence Act and the amendments thereto or under any other law from Springland Riding Stable, its officers, employees, independent contractors, volunteers or agents.

I hereby agree to indemnify and hold Springland Riding Stable, its officers, employees, independent contractors, volunteers or agents harmless against and indemnify them against all claims against them either by third parties, my child or myself including their legal costs on a solicitor and client basis for defending any such claims and for obtaining indemnification from me.

This agreement is binding on myself, my heirs, executors, administrators, personal representatives and assigns.
